

# The Friends of Broadway First School

---

## Who are we?

---

The Friends of Broadway First School is run by parents from the school. We aim to raise funds for the schools and enjoy providing treats for the students ☺ We recently became a registered charity and hope to access some grants to help fund some bigger projects. We are hoping to find extra hands to help us raise much-needed funds for our children.

## What we do, why do we do it and who benefits?

---

We meet regularly to discuss ways we can raise new funds for our schools. We are always open to new ideas. In the past, we've raised around £2000 - £3000 per year by running events such as our Christmas stall at Late Night Shopping, various discos, Quiz Nights & our May Fayres and used it to fund items like the following for the schools:

- Trips and Coaches
- New toys and games for Wrap Around Club
- Visit and gifts from Father Christmas
- Visit from Lempen Puppet Theatre

## What are we hoping to achieve?

---

Each year, the schools give us a wish list that we consider as a group. This year they've asked us:

- For money towards trips/ coaches to make trips to lessen the financial cost to parents
- To look into funding options to update the outdoor playground area.
- To look into funding to update the school library.

## What kind of help do we need?

---

We would love you to get involved in our school! We are always grateful for any help or time you can give! We want to work together to try and enrich the school environment for our children and for the future.
