

Our 'Mission'

Our School Motto

Inspire-Challenge-Achieve

Our Vision

To be an excellent school by providing a supportive, caring and happy environment in which all our children will develop a passion for learning and will achieve their potential.

Our Aims

To continually enhance our children's educational experience to ensure they develop a passion for learning and aspire to achieve their potential.

To ensure that each child in our school develops valuable life skills including high personal standards, self-reliance and self-esteem and leaves with rich memories of their time at Broadway First School.

To encourage and support parents to participate and celebrate in their children's education.

To work openly and collaboratively with the community and other educational settings to enhance our school's strategic future.

To nurture and protect the mental and physical wellbeing of the whole school community, ensuring a happy and caring environment.

Our Values

Respect - We respect ourselves, others and our environment and embrace the diversity in individuals and the community; we want everyone to flourish.

Togetherness - We look at how children, parents, staff and local community can work together as one team.

Ambition - We are ambitious for everyone no matter where they are on their journey or what their specific needs are to be confident they can achieve their very best.

Pride - We want everyone in the school community to be proud of who they are, what they are doing and what they achieve.

Resilience - We strive to overcome challenges as we know they are part of the learning process; we'll ensure everyone has the encouragement and wellbeing support to do this.
